MESSAGE FROM THE CEO – EDUNATION

**Dear,
Students, Parents and Our Amazing Team,**

When we started Edunation, our dream was simple — to help every student, from any background, get the right skills and guidance to build a better future.

Today, I'm proud to say that we are turning that dream into reality — with 30+ centers across India, and thousands of students learning with us both online and offline. Whether you're in a small town or a big city, Edunation is here for you.

To our students:

No dream is too big. No goal is impossible. You just need the right support, training, and belief in yourself — and that's exactly what we provide. Whether you're learning technology, makeup, business, or healthcare — your journey matters. And we are with you every step of the way.

To our team and marketing partners:

You are not just promoting a brand. You are part of a mission to change lives. Every student who joins us brings hope, and you help us turn that hope into confidence and success.

Our training is practical, job-ready, and future-focused. We offer both online and offline options to give everyone a chance to learn, grow, and succeed — anytime, anywhere.

Together, let's keep working hard. Let's keep believing in our mission. Let's continue to reach more students, create more success stories, and build India's most trusted training brand.

Thank you for being a part of the Edunation family.

Warm wishes,
Niloy Biswas
— CEO, Edunation

THE STORY OF THE INSTITUTE OF EDUNATION

Edunation is a dynamic and innovative training institute that was founded by a team of experienced professionals who recognized the growing demand for high quality education and training programs.

Our founders have a passion for teaching and are dedicated to providing an Engaging and interactive learning experience to our students. TESTIMONIALS

"The course was detailed and practical. I learned everything from basic makeup to advanced bridal looks. The hands-on sessions boosted my confidence, and the guidance from trainers was excellent. Now I provide makeup services professionally and even started my own small business." - Sneha Pramanik

"The course was very well structured and detailed. Each lesson focused on practical skills rather than just theory. I learned everything from basic tools to advanced designing techniques. The live projects were a great experience and gave me real-world confidence. Now I can proudly say I am a professional graphic designer. Eduration's guidance made this possible." - Bipasha Nanda

"I joined Commerce Prime after 12th without much idea about accounts. The classes were structured and easy to follow. The trainers encouraged questions and gave personal guidance when needed. By the end of the course, I could manage bookkeeping, taxation, and financial records confidently. I feel equipped to work in any accounting role now." - Abir Paul

"I always struggled with accounting and finance during school. Eduration's Commerce Prime course made these subjects easy to understand with simple examples. The trainers explained GST, Tally, and bookkeeping in a very practical way. After the course, I got a job at a CA firm, and now I can handle accounts confidently. I feel much more prepared for my career and future studies." -

"I always loved art but didn't know how to make it a career. Joining Eduration changed everything. The trainers taught me design tools step by step, explained real-world applications, and gave hands-on projects. Now I work as a freelance designer, creating social media graphics and posters for clients. I feel confident in my skills and proud of my work. Eduration really turned my passion into a profession!" - Soumitra Chakraborty

TESTIMONIALS

"I always dreamed of becoming a makeup artist. Eduration's course taught me professional techniques, bridal makeup, skincare, and hair styling step by step. The trainers shared tips from the industry, which really helped me. Today, I work at a top salon and have happy clients. This course turned my dream into reality!" - Nisha Halder.

"The Office IT Basic Course at Eduration was incredibly helpful and well-structured. As someone with minimal computer experience, I found the lessons easy to follow and very practical. The instructors were patient, knowledgeable, and always ready to help. I now feel confident using MS Word, Excel, PowerPoint, and handling basic office tasks on a computer. This course has truly boosted my skills and career prospects. Highly recommended for beginners!" — Sahid Ali Gazi.

"Speaking English was always intimidating for me. I joined Eduration with fear and hesitation, but the supportive teachers made it so easy to learn. Daily practice, conversation exercises, and grammar lessons improved my fluency. Now, I can speak confidently during interviews and daily communication. It has truly changed my life and boosted my self-esteem." – Tanushree Naskar.

"I am proud to share that I have successfully completed the Office IT, Commerce Prime, and Spoken English (Basic to Advanced) courses at Eduration. These programs have played a transformative role in shaping my career.

Before joining Eduration, I lacked the technical skills and confidence needed to pursue better opportunities. But today, I feel professionally equipped and career-ready.

Through the Office IT course, I mastered essential tools like MS Word, Excel, and PowerPoint — skills that are now helping me in real office environments.

The Commerce Prime course gave me a solid foundation in accounting, business principles, and financial understanding, which has added real value to my career goals.

Most importantly, the Spoken English course helped me grow from a hesitant speaker to someone who can now communicate fluently and confidently in both personal and professional settings. The guidance of expert trainers, practical learning methods, and continuous support from the Eduration team made all the difference. I now feel confident stepping into the professional world with the right skills and mindset. Thank you, Eduration, for helping me unlock my potential and take a strong step forward in my career journey." — Dipa Majhi
